

# The High Cost of Dying

## What Are the "Unwanted Heirs"?

There may be a mistaken impression that, at death, your assets will automatically be distributed to your loved ones. Instead, several "unwanted heirs" may step forward **FIRST** for their share of your estate and siphon off a **significant portion** of your estate's total value.

These "unwanted heirs" can include:

- Federal Estate Tax
- State Inheritance Tax
- Estate Administrative Costs (funeral expenses, probate costs, professional fees, final expenses and debts)

## What might this mean to you?
